Item 1.01 Entry into a Material Definitive Agreement.

On December 19, 2021, BP Midstream Partners LP, a Delaware limited partnership (the “Partnership”), BP Midstream Partners GP LLC, a Delaware limited liability company and the general partner of the Partnership (the “Partnership GP”), BP p.l.c., a public limited company incorporated under the laws of England and Wales (“BP”), BP Midstream Partners Holdings LLC, a Delaware limited liability company and an indirect wholly owned Subsidiary of BP (“Holdings”), and BP Midstream RTMS LLC, a Delaware limited liability company and a wholly owned subsidiary of Holdings (“Merger Sub”), entered into an Agreement and Plan of Merger (the “Merger Agreement”), pursuant to which Merger Sub will merge with and into the Partnership, with the Partnership surviving as an indirect, wholly owned subsidiary of BP (the “Merger”).

Under the terms of the Merger Agreement, at the effective time of the Merger, (i) each outstanding common unit representing limited partner interests in the Partnership (each, a “Partnership Common Unit”) other than Partnership Common Units owned by BP and its subsidiaries (each, a “Public Common Unit”) will be converted into the right to receive 0.575 BP American Depositary Shares (“ADSs”) each representing six ordinary shares of BP (the “Merger Consideration” and such ratio, the “Exchange Ratio”). In connection with the Merger, (i) any partnership interests that are owned by the Partnership or any of the Partnership’s subsidiaries will be cancelled; and (ii) the Partnership Common Units owned by Parent and its subsidiaries, the General Partner’s general partner interest and the incentive distribution rights in the Partnership will not be cancelled, will not be converted into the right to receive Merger Consideration and will remain outstanding following the Merger.

Concurrently with the execution of the Merger Agreement, Holdings, as the record and beneficial owner of 56,956,712 Partnership Common Units (the “Covered Units”) as of the date thereof, entered into a Support Agreement with the Partnership (the “Support Agreement” and, together with the Merger Agreement, the “Transaction Documents”) pursuant to which Holdings has agreed to deliver (or cause to be delivered) a written consent with respect to the Partnership Common Units it beneficially owns approving the Merger Agreement and the transactions contemplated thereby, including the Merger (the “Holdings Written Consent”).

The Conflicts Committee (the “Conflicts Committee”) of the board of directors of the General Partner (the “GP Board”) has (a) determined that the Transaction Documents and the transactions contemplated thereby, including the Merger, are not opposed to the interest of the Partnership or the holders of the Public Common Units (the “Unaffiliated Partnership Unitholders”), (b) approved the Transaction Documents and the transactions contemplated thereby, including the Merger (the foregoing constituting “Special Approval” as defined in the Amended and Restated Agreement of Limited Partnership of the Partnership dated October 30, 2017 (the “Partnership Agreement”), (c) approved, on behalf of the GP Board, the Transaction Documents, the execution, delivery and performance of the Transaction Documents and the transactions contemplated thereby, including the Merger, and (d) directed, on behalf of the GP Board, that the Merger Agreement and the transactions contemplated thereby, including the Merger, be submitted to a vote of the limited partners of the Partnership (the “Limited Partners”) pursuant to Section 14.3 of the Partnership Agreement and authorized the Limited Partners to act by written consent pursuant to Section 13.11 of the Partnership Agreement.

The Unaffiliated Partnership Unitholders will receive a Consent Statement/Prospectus following the effectiveness of a registration statement on Form F-4 relating to the Merger Consideration (the “BP Registration Statement”) and at least 20 days prior to the closing of the Merger. The Consent Statement/Prospectus will include a form of consent that may be executed by the Unaffiliated Partnership Unitholders in connection with the Holdings Written Consent after the effectiveness of the BP Registration Statement. Holdings owns Partnership Common Units representing a Unit Majority under the Partnership Agreement. Accordingly, no consent or approval is required from any Unaffiliated Partnership Unitholder to consummate the Merger.

The Merger Agreement contains customary representations and warranties from the parties, and each party has agreed to customary covenants, including, among others, covenants relating to (i) the conduct of business during the interim period between the execution of the Merger Agreement and the effective time of the Merger and (ii) the obligation to use reasonable best efforts to cause the Merger to be consummated.

Completion of the Merger is subject to certain customary conditions, including, among others: (i) approval of the Merger Agreement and the transactions contemplated thereby, including the Merger, by holders of a majority of the outstanding Partnership Common Units, which Holdings has agreed to deliver pursuant to the Support Agreement; (ii) there being no law or injunction prohibiting consummation of the transactions contemplated under the Merger Agreement; (iii) the effectiveness of the BP Registration Statement; (iv) approval for listing of the BP ADSs to be issued as Merger Consideration on the New York Stock Exchange and the underlying BP ordinary shares on the London Stock Exchange; (v) subject to specified materiality standards, the accuracy of certain representations and warranties of each party; and (vi) compliance by each party in all material respects with its covenants.

The Merger Agreement provides for certain termination rights for both BP and the Partnership, including in the event that (i) the parties agree by mutual written consent to terminate the Merger Agreement, (ii) the Merger is not consummated by September 19, 2022, (iii) a law or injunction prohibiting the consummation of the transactions contemplated by the Merger

Agreement is in effect and has become final and non-appealable, or (iv) the other party is in material breach of the Merger Agreement. The Merger Agreement provides that upon termination of the Merger Agreement under certain circumstances, (i) the Partnership will be obligated to reimburse BP for its expenses and (ii) BP will be obligated to reimburse the Partnership for its expenses, in each case, in an amount not to exceed \$5 million.

The foregoing description of the Merger Agreement, the Merger and the Support Agreement does not purport to be complete and is qualified in its entirety by the Merger Agreement and the Support Agreement, copies of which are filed as Exhibit 2.1 and Exhibit 10.1 to this Current Report on Form 8-K.

It is not intended to provide any other factual information about BP, the Partnership or their respective subsidiaries and affiliates. Until all such required documentation has been delivered and Certificates, if any, have been surrendered as contemplated by this Section 3.3(b), each Certificate or Book-Entry Unit will be deemed at any time after the Effective Time to represent only the right to receive the Merger Consideration upon such delivery and surrender, and any cash or dividends or other distributions to which such holder is entitled pursuant to Section 3.3(c), if any.

(c) Distributions with Respect to Unexchanged Public Common Units. No dividends or other distributions with respect to Parent ADSs issued in the Merger shall be paid to the holder of any unsurrendered Certificates or Book-Entry Units until such Certificates or Book-Entry Units are surrendered as provided in this Section 3.3. Following such surrender, subject to the effect of escheat, Tax or other applicable Laws, there shall be paid, without interest, to the record holder of the Parent ADSs issued in exchange therefor (i) at the time of such surrender, all dividends and other distributions payable in respect of any such Parent ADSs with a record date after the Effective Time and a payment date on or prior to the date of such surrender and not previously paid and (ii) at the appropriate payment date, the dividends or other distributions payable with respect to such Parent ADSs with a record date after the Effective Time but with a payment date subsequent to such surrender. For purposes of dividends or other distributions in respect of Parent ADSs, all Parent ADSs to be issued pursuant to the Merger shall be entitled to dividends and other distributions pursuant to the immediately preceding sentence as if issued and outstanding as of the Effective Time.

(d) No Fractional Parent ADSs. No certificates or scrip for Parent ADSs representing fractional Parent ADSs or book entry credit of the same will be issued upon the surrender of Public Common Units outstanding immediately prior to the Effective Time in accordance with Section 3.3(b), and such fractional interests will not entitle the owner thereof to vote or to have any rights as a holder of any Parent ADSs. Notwithstanding any other provision of this Agreement, in lieu of receiving any fraction of a Parent ADS, all fractions of Parent ADSs to which a holder of Public Common Units received the right to receive the Merger Consideration in the Merger would otherwise have been entitled shall be aggregated and the resulting fraction of a Parent ADS will be rounded up to a whole Parent ADS.

(e) No Further Rights in Public Common Units. The Merger Consideration issued upon conversion and Cancellation of a Public Common Unit in accordance with the terms hereof will be deemed to have been issued and paid in full satisfaction of all rights pertaining to such Public Common Unit (other than any distribution in respect of the Common Units with a record date occurring prior to the Effective Time that may have been declared by the Partnership on the Common Units in accordance with the terms of this Agreement and the Partnership Agreement and which remains unpaid at the Effective Time).

(f) Termination of Exchange Fund. Any portion of the Exchange Fund that remains undistributed to the holders of Public Common Units on the one year anniversary of the Effective Time will be delivered to Parent upon demand by Parent and, from and after such

delivery, any former holders of Public Common Units who have not theretofore complied with this Article III will thereafter look only to Parent for the Merger Consideration payable in respect of such Public Common Units or any dividends or other distributions with respect to Parent ADSs to which they are entitled pursuant to Section 3.1 or Section 3.3(c), respectively, in each case, without any interest thereon. Any amounts remaining unclaimed by holders of Public Common Units immediately prior to such time as such amounts would otherwise escheat to or become the property of any Governmental Authority will, to the extent permitted by applicable Law, become the property of Parent. Without limitation of the foregoing, after the date that is the one year anniversary of the Effective Time, any amounts remaining unclaimed by holders of Public Common Units will become the property of Parent, subject to the legitimate claims of any Person previously entitled thereto hereunder or under abandoned property, escheat or similar Laws. Notwithstanding anything in this Agreement to the contrary, none of Parent, Holdings, the Partnership, Merger Sub, the Surviving Entity, the General Partner, the Exchange Agent, or any other Person shall be liable to any former holder of Public Common Units for any amount properly delivered to a public official pursuant to any abandoned property, escheat or similar Law.

(g) Lost, Stolen or Destroyed Certificates. If any Certificate is lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by Parent, the posting by such Person of an indemnity agreement or a bond, in a customary amount, as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Certificate and affidavit the Merger Consideration payable in respect of Public Common Units represented by such Certificate as contemplated by this Article III and pay any dividends and other distributions pursuant to Section 3.3(c).

(h) Withholding Taxes. Each of Parent, Holdings, Merger Sub, the Surviving Entity and the Exchange Agent, as applicable, are entitled to deduct and withhold from any amounts, including the Merger Consideration, payable pursuant to this Agreement to any Person such amounts as Parent, Holdings, Merger Sub, the Surviving Entity or the Exchange Agent, as applicable, reasonably deems it is required to deduct and withhold under the Code or any provision of state, local, or foreign Tax Law, with respect to the making of such payment. Such deduction and withholding may be taken in securities, in which case Parent, Holdings, Merger Sub, the Surviving Entity or the Exchange Agent, as applicable, shall be treated as having sold such securities for an amount of cash equal to the fair market value of such securities at the time of such deemed sale. To the extent that deducted and withheld amounts (including deemed proceeds from the deemed sale of securities) are paid over to the appropriate Governmental Authority, such amounts (including securities) will be treated for all purposes of this Agreement as having been paid or issued to the Person in respect of whom such deduction and withholding was made.

(i) Book Entry Shares. All Parent ADSs to be issued in the Merger will be issued in book-entry form, without physical certificates.

Section 3.4 No Dissenters' Rights. No dissenters' or appraisal rights shall be available with respect to the Merger or the other transactions contemplated by this Agreement.

Section 3.5 Anti-Dilution Provisions. Notwithstanding any provision of this Article III to the contrary, if between the date of this Agreement and the Effective Time the number of outstanding Common Units, Parent ADSs or Parent Ordinary Shares shall have been changed into a different number of units or shares or a different class or series by reason of any subdivisions, reclassifications, splits, share distributions, combinations or exchanges of Common Units, Parent ADSs or Parent Ordinary Shares, as applicable, then the Merger Consideration, the Exchange Ratio and any other similar dependent item, as applicable, will be correspondingly

adjusted to provide to the holders of Public Common Units the same economic effect as contemplated by this Agreement prior to such event; *provided, however*, that nothing in this Section 3.5 shall be deemed to permit or authorize any party hereto to effect any such change that it is not otherwise authorized or permitted to be undertaken pursuant to this Agreement.

Section 3.6 Treatment of Awards. Prior to the Effective Time, Parent, the General Partner and the Partnership shall take all action as may be necessary or required in accordance with applicable Law and the Partnership Long-Term Incentive Plan (including the award agreements in respect of awards granted thereunder) to give effect to this Section 3.6 as follows: as of the Effective Time, by virtue of the Merger and without any action on the part of the holders thereof, each Partnership LTIP Award that is outstanding immediately prior to the Effective Time shall, as of the Effective Time, by virtue of the Merger and without any action on the part of the holder of any such Partnership LTIP Awards, cease to relate to or represent a right with respect to Common Units and shall be converted into the right to receive the Merger Consideration, except that the number of the Parent ADSs issued shall be equal to the number of Common Units subject to the corresponding Partnership LTIP Award multiplied by the Exchange Ratio, rounded up to the nearest whole unit. The Parent ADSs issued as the Merger Consideration will be subject to adjustment in accordance with Section 3.5, and will be duly authorized, validly issued, fully paid and non-assessable in accordance with applicable Laws. With respect to each Partnership LTIP Award, any distribution or distribution equivalent amounts accrued but unpaid as of the Closing will be paid to the holder within 30 days of the Closing.

(c) The Requisite Partnership Approval is the only vote or approval of the holders of any class or series of Partnership Interests that is necessary to approve and adopt this Agreement and the transactions contemplated by this Agreement.

(d) The Conflicts Committee, by unanimous vote, in good faith, has, among other things, (i) determined that the Transaction Documents and the transactions contemplated thereby, including the Merger, are not opposed to the interest of the Partnership or the Partnership Unaffiliated Unitholders, (ii) approved the Transaction Documents and the transactions contemplated thereby, including the Merger (the foregoing constituting “Special Approval” as defined in the Partnership Agreement), (iii) approved, on behalf of the GP Board, the Transaction Documents, the execution, delivery and performance of the Transaction Documents and the transactions contemplated thereby, including the Merger, and (iv) directed, on behalf of the GP Board, that this Agreement and the transactions contemplated hereby, including the Merger, be submitted to a vote of the Limited Partners pursuant to Section 14.3 of the Partnership Agreement and authorized the Limited Partners to act by written consent pursuant to Section 13.11 of the Partnership Agreement.

(c) Except (i) as reflected or otherwise reserved against on the balance sheet of the Partnership and its consolidated Subsidiaries as of the Balance Sheet Date (including the notes thereto) included in the Partnership SEC Documents filed by the Partnership and publicly available prior to the date of this Agreement, (ii) for liabilities and obligations incurred since the Balance Sheet Date in the ordinary course of business consistent with past practice, (iii) for liabilities and obligations set forth in Section 4.5(c) of the Partnership Disclosure Schedule and (iv) for liabilities and other obligations incurred under or in accordance with this Agreement or in connection with the transactions contemplated by this Agreement, neither the Partnership nor any of its Subsidiaries has any liabilities or obligations of any nature (whether or not accrued or contingent) that would be required to be reflected or reserved against on a consolidated balance sheet of the Partnership prepared in accordance with GAAP or the notes thereto, other than as have not and would not reasonably be expected to have, individually or in the aggregate, a Partnership Material Adverse Effect.

(a) Each Partnership Benefit Plan has been established, maintained and administered in compliance with its terms and with applicable Laws, including ERISA and the Code, except for such non-compliance which has not had and would not reasonably be expected to have, individually or in the aggregate, a Partnership Material Adverse Effect. Except as has not had and would not reasonably be expected to have a Partnership Material Adverse Effect, no Partnership Benefit Plan is or has been within the past six years a (i) “multiemployer plan” (within the meaning of Section 3(37) of ERISA), (ii) pension plan subject to Title IV of ERISA or Section 302 of ERISA or Section 412 of the Code, (iii) “multiple employer plan” within the meaning of ERISA or an employee benefit plan subject to Section 413(c) of the Code, or (iv) “multiple employer welfare arrangement” within the meaning of Section 3(40) of ERISA.

(c) Except as would not reasonably be expected to have a Partnership Material Adverse Effect, no Proceeding, including any audit or investigation by any Governmental Authority, is pending or, to the knowledge of the Partnership, threatened with respect to any

Partnership Benefit Plan (other than routine claims for benefits and non-material appeals of such claims).

(d) Except as expressly contemplated by this Agreement, neither the execution and delivery of this Agreement nor the consummation of the transactions contemplated hereby (whether alone or in combination with another event, whether contingent or otherwise) will (i) entitle any current or former employee, consultant, director, manager or other service provider to any payment or benefit (or any increased or enhanced payment or benefit) from the General Partner, the Partnership or its Subsidiaries, or (ii) accelerate the vesting, funding or time of payment of any compensation, Partnership LTIP Award or other benefit with respect to any current or former employee, consultant, director, manager or other service provider.

Except as would not have, individually or in the aggregate, a Partnership Material Adverse Effect, (A) each Partnership Real Property Lease is valid, binding and in full force and effect in accordance with its terms, except as such enforcement may be limited by Enforceability Exceptions, and (B) no uncured default of a material nature on the part of the Partnership or, if applicable, any of its Subsidiaries or, to the knowledge of the Partnership, the lessor thereunder, exists under any Partnership Real Property Lease, and no event has occurred or circumstance exists that, with the giving of notice, the passage of time, or both, would constitute a material breach or default under a Partnership Real Property Lease.

(b) Except as would not have, individually or in the aggregate, a Partnership Material Adverse Effect, (i) there are no leases, subleases, licenses, rights or other agreements affecting any portion of the Partnership Owned Real Property or the Partnership Leased Real Property that would reasonably be expected to adversely affect the existing use of such Partnership Owned Real Property or Partnership Leased Real Property by the Partnership or its Subsidiaries in the operation of its business thereon, (ii) except for such arrangements solely among the Partnership and its Subsidiaries or among the Partnership’s Subsidiaries, there are no outstanding options or rights of first refusal in favor of any other party to purchase any

Partnership Owned Real Property or any portion thereof or interest therein that would reasonably be expected to adversely affect the existing use of the Partnership Owned Real Property by the Partnership or its Subsidiaries in the operation of its business thereon, and (iii) neither the Partnership nor any of its Subsidiaries is currently subleasing, licensing or otherwise granting any person the right to use or occupy a material portion of a Partnership Owned Real Property or Partnership Leased Real Property that would reasonably be expected to adversely affect the existing use of such Partnership Owned Real Property or Partnership Leased Real Property by the Partnership or its Subsidiaries in the operation of its business thereon.

(c) Except as would not, individually or in the aggregate, have a Partnership Material Adverse Effect: (i) each of the Partnership and its Subsidiaries has such Rights-of-Way that are necessary for the Partnership and its Subsidiaries to use and operate their respective assets and properties in the manner that such assets and properties are currently used and operated, and each such Right-of-Way is valid and free and clear of all Liens (other than Partnership Permitted Liens); (ii) the Partnership and its Subsidiaries conduct their businesses in a manner that does not violate any of the Rights-of-Way; (iii) the Partnership and its Subsidiaries have fulfilled and performed all of their obligations with respect to such Rights-of-Way; and (iv) neither the Partnership nor any of its Subsidiaries has received written notice of, and, to the knowledge of the Partnership, there does not exist, the occurrence of any ongoing event or circumstance that allows, or after the giving of notice or the passage of time, or both, would allow the limitation, revocation or termination of any Right-of-Way or would result in any impairment of the rights of the Partnership and its Subsidiaries in and to any such Rights-of-Way. Except as would not, individually or in the aggregate, have a Partnership Material Adverse Effect, all pipelines operated by the Partnership and its Subsidiaries have or are otherwise entitled to the benefits of all Rights-of-Way that are necessary for the Partnership and its Subsidiaries to use and operate their respective assets and properties in the manner that such assets and properties are currently used and operated, and there are no gaps (including any gap arising as a result of any breach by the Partnership or any of its Subsidiaries of the terms of any Rights-of-Way) in such Rights-of-Way that would prevent the Partnership and its Subsidiaries to use and operate their respective assets and properties in the manner that such assets and properties are currently used and operated.

Section 4.14 Regulatory Matters.

(a) Except as would not, individually or in the aggregate, have a Partnership Material Adverse Effect, there are no proceedings pending, or to the knowledge of the Partnership, threatened in writing, alleging that the Partnership or any of its Subsidiaries is in material violation of the Natural Gas Act, 15 U.S.C. § 717, et seq. (b) Except as would not, individually or in the aggregate, have a Partnership Material Adverse Effect, all filings (other than immaterial filings) required to be made by the Partnership or any of its Subsidiaries during the two years preceding the date hereof, with the (i) Federal Energy Regulatory Commission (“FERC”) under the NGA, the NGPA, the ICA, the FPA, PUHCA, or the rules and regulations promulgated thereunder, (ii) the Department of Energy, or (iii) any state public utility or transportation commission or department in a state within which the Partnership or any of its Subsidiaries operates, as the case may be, have been made, including all forms, statements, reports, notices, agreements and all documents, exhibits,

Section 4.15 Opinion of Financial Advisor. The Conflicts Committee has received the opinion of Tudor, Pickering, Holt & Co. (the "Conflicts Committee Financial Advisor") to the effect that, as of the date of such opinion, and based upon and subject to the assumptions, qualifications, limitations and other matters set forth therein, the Exchange Ratio provided for pursuant to this Agreement is fair, from a financial point of view, to the Partnership Unaffiliated Unitholders.

Section 4.16 Brokers and Other Advisors. Section 5.5 Parent Public Documents; Undisclosed Liabilities; Internal Controls.

(a) Since December 31, 2020, the Parent has (i) filed or furnished all reports, schedules, forms, certifications, prospectuses, and registration, proxy and other statements required to be filed or furnished by them with the SEC (collectively and together with all documents filed or publicly furnished on a voluntary basis on Form 6-K, and in each case including all exhibits and schedules thereto and documents incorporated by reference therein, the "Parent SEC Documents") and (ii) filed or furnished all reports, schedules, forms, certifications, prospectuses, and registration, proxy and other statements and documents required to be filed or furnished by them with the FCA (collectively and together with all documents filed or publicly furnished on a voluntary basis, and in each case including all exhibits and schedules thereto and documents incorporated by reference therein, the "Parent Non-SEC Documents" and together with the Parent SEC Documents, the "Parent Public Documents"). The Parent Public Documents, as of their respective effective dates (in the case of the Parent SEC Documents that are registration statements filed pursuant to the requirements of the Securities Act) and as of their respective filing dates (in the case of all other Parent Public Documents), or, if amended, as finally amended prior to the date of this Agreement, complied in all material respects with the requirements of the Exchange Act, the Securities Act, the Sarbanes-Oxley Act, CA 2006, the DTRs, the PRR, the MAR, the FSMA and the Listing Rules, as the case may be, applicable to such Parent Public Documents, and none of the Parent Public Documents as of such respective dates contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. As of the date of this Agreement, there are no outstanding or unresolved comments received from the SEC or FCA staff with respect to the Parent Public Documents, other than any comment letters issued to the Parent in the course of routine review of the Parent's periodic filings. To the knowledge of Parent, none of the Parent Public Documents is the subject of ongoing SEC or FCA review or investigation, and no enforcement action has been initiated against Parent relating to disclosures contained or omitted from any Parent Public Document.

(b) The consolidated financial statements of Parent included in the Parent Public Documents as of their respective dates (if amended, as of the date of the last such amendment) have been prepared in accordance with IFRS (except, in the case of unaudited quarterly statements, as indicated in the notes thereto) applied on a consistent basis during the periods involved (except as may be indicated in the notes thereto) and fairly present in all material respects the consolidated financial position of Parent and its consolidated Subsidiaries as of the dates thereof and the consolidated results of their operations, cash flows and changes in shareholders' equity for the periods then ended (subject, in the case of unaudited quarterly statements, to normal year-end audit adjustments, none of which has been or will be, individually or in the aggregate, material to Parent and its consolidated Subsidiaries, taken as a whole).

(c) Except (i) as reflected or otherwise reserved against on the balance sheet of Parent and its consolidated Subsidiaries as of the Balance Sheet Date (including the notes thereto) included in the Parent Public Documents filed by Parent and publicly available prior to the date of this Agreement, (ii) for liabilities and obligations incurred since the Balance Sheet

(d) Parent has established and maintains internal control over financial reporting and disclosure controls and procedures designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with IFRS, including policies and procedures that ensure that all material information required to be disclosed by Parent in the reports that it files or makes public under the Exchange Act, FSMA, Listing Rules, the DTRs, the MAR or CA 2006 are recorded, processed, summarized and reported within the time periods specified in the rules and forms of the SEC or the FCA, and that all such material information is communicated to its management as appropriate during the periods in which the relevant reports are being prepared. Parent has disclosed, based on its most recent evaluation, to the Parent's auditors (i) all significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting that are reasonably likely to adversely affect Parent's ability to record, process, summarize and report financial information and have identified for the Parent's auditors any material weakness in internal controls and (ii) any fraud, whether or not material, that involves management or other employees who have a significant role in the Parent's internal control over financial reporting.

(e) Since December 31, 2020, the principal executive officer and principal financial officer of Parent have made all certifications (without qualification or exceptions to the matters certified, except as to knowledge) required by the Sarbanes-Oxley Act, and the statements contained in any such certifications are complete and correct, and none of Parent or its officers have received written notice from any Governmental Authority questioning or challenging the accuracy, completeness, form or manner of filing or submission of such certification.

Section 5.6 Absence of Certain Changes or Events.

(a) Since the Balance Sheet Date, there has not occurred any change, effect, event or occurrence that, individually or in the aggregate, has resulted, or would reasonably be likely to result, in a Parent Material Adverse Effect.

(b) Since the Balance Sheet Date, except for (i) this Agreement and the transactions contemplated hereby and (ii) any acquisitions or divestments that are not required to be disclosed in the Parent Public Documents, Parent has carried on and operated its business in the ordinary course of business in all material respects; provided that executing on its publicly announced strategy shall not be considered to be outside of ordinary course of business.

Section 5.7 Legal Proceedings. There are no Proceedings pending or, to the knowledge of Parent, threatened in writing with respect to Parent, Holdings or Merger Sub or Proceedings pending or, to the knowledge of Parent, threatened in writing with respect to any of their respective properties or assets at law or in equity before any Governmental Authority, and there are no orders, judgments, decrees or similar rulings of any Governmental Authority against Parent, Holdings or Merger Sub, in each case except for those that have not had and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect. This Section 5.7 shall not apply to any Proceedings against Parent, Holdings or Merger

Sub or any of their respective directors, managing members or officers, as applicable, to the extent arising out of this Agreement, the Merger or the other transactions contemplated by this Agreement.

Section 5.8 Compliance With Laws. Parent, Holdings and Merger Sub are, and since the later of December 31, 2019 and their respective dates of incorporation, formation or organization have been, in compliance with and are not in default under or in violation of any applicable Law, except where such non-compliance, default or violation has not had and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect.

Section 5.9 Information Supplied. Subject to the accuracy of the representations and warranties of the Partnership and the General Partner set forth in Section 4.10, none of the information supplied (or to be supplied) in writing by or on behalf of Parent, Holdings or Merger Sub specifically for inclusion or incorporation by reference in (a) the Registration Statement will, at the time the Registration Statement, or any amendment or supplement thereto, is filed with the SEC or at the time it becomes effective under the Securities Act, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading and (b) the Consent Statement/Prospectus will, on the date it is first mailed to the Limited Partners contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they are made, not misleading. The Consent Statement/Prospectus and the Registration Statement will comply as to form in all material respects with the applicable requirements of the Securities Act or Exchange Act, as applicable. Section 6.3 Reasonable Best Efforts. Subject to the terms and conditions of this Agreement, Parent, Holdings and Merger Sub, on the one hand, and the Partnership and the General Partner, on the other hand, shall cooperate with the other and use and shall cause their respective Subsidiaries to use their reasonable best efforts to (i) take, or cause to be taken, all appropriate actions, and do, or cause to be done, all things, necessary, proper or advisable to cause the conditions to the Closing to be satisfied as promptly as reasonably practicable, including, for the avoidance of doubt, in the case of Parent, Holdings and the General Partner, until the Effective Time or the termination of this Agreement, retaining ownership and voting control, directly or indirectly, over all Common Units and the General Partner Interest in the Partnership beneficially owned by Parent, Holdings, any of their respective Subsidiaries or the General Partner, as applicable, as of the date of this Agreement or acquired thereafter, and to consummate and make effective the transactions contemplated by this Agreement, including preparing and filing as promptly as practicable all documentation to effect all necessary filings, notifications, notices, petitions, statements, registrations, submissions of information, applications and other documents, (ii) promptly obtain all approvals, consents, waivers, clearances, expirations or terminations of waiting periods, registrations, permits, authorizations and other confirmations from any Governmental Authority or third party necessary, proper or advisable to consummate the transactions contemplated by this Agreement, and (iii) defend any Proceedings challenging this Agreement or the consummation of the transactions contemplated by this Agreement or seek to have lifted or rescinded any injunction or restraining order or other order adversely affecting the ability of the parties to consummate the transactions contemplated hereby. If, at any time prior to the effectiveness of the Written Consent, Parent or its Affiliates (other than Holdings) acquire a beneficial or direct ownership of any Common Units, then Parent and its Affiliates shall enter into the Support Agreement by execution of a joinder thereto. Notwithstanding anything in this Agreement to the contrary, neither party nor its Affiliates shall be obligated pursuant to this Section 6.3 to offer or commit or consent to take or refrain from taking any action pursuant to any request or requirement of any Governmental Authority that involves (i) making any divestiture or disposition of any portion of any business or assets or (ii) accepting or entering any consent decree or hold separate order.

Section 6.4 Public Announcements. The initial press release with respect to the execution of this Agreement shall be a joint press release to be reasonably agreed upon by Parent and the Partnership. Thereafter, neither Parent nor the Partnership shall issue or cause the publication of any press release or other public announcement (to the extent not previously issued or made in accordance with this Agreement) with respect to this Agreement or the transactions contemplated by this Agreement without the prior consent of the other party (which consent shall not be unreasonably withheld, conditioned or delayed), except as may be required by applicable Laws or by any applicable listing agreement with the NYSE or the LSE, as applicable, as determined in the good faith judgment of the party proposing to make such release (in which case such party shall not issue or cause the publication of such press release or other public announcement without prior consultation with the other party); *provided, however*, that each party and their respective Affiliates may make statements that are consistent with statements made in previous press releases, public disclosures or public statements made by Parent or the Partnership in compliance with this Section 6.4.

Section 6.5 Access to Information.

(a) Upon reasonable advance notice and subject to applicable Laws relating to the exchange of information, the Partnership shall, and shall cause each of its Subsidiaries to, afford to Parent and its Representatives, reasonable access during normal business hours (and, with respect to books and records, the right to copy) to all of its and such Subsidiaries' properties, commitments, books, Contracts, records and correspondence (in each case, whether in physical or electronic form), officers, employees, accountants, counsel, financial advisors and other Representatives, in each case for integration and operational planning related to the transactions contemplated by this Agreement; *provided*, that such access shall be provided on a basis that minimizes the disruption to the operations of the requested party and its Representatives.

(b) Subject to applicable Laws, from the date of this Agreement until the Effective Time, Parent and the Partnership shall furnish promptly to one another (i) a copy of each report, schedule, registration statement and other document filed, published, announced or received by it in connection with the transactions contemplated by this Agreement during such period pursuant to the requirements of federal, state or foreign Laws (including pursuant to the Securities Act, the Exchange Act and the rules of any Governmental Authority thereunder), as applicable (other than documents that such party is not permitted to disclose under applicable Laws) (which such furnishing will be deemed to have occurred in the case of any document filed with or furnished to the SEC without further action on the part of the furnishing party) and (ii) evidence of approval of each Listing Application.

(c) Each party shall furnish promptly to the other party all information concerning such party's relevant business, properties and personnel as the other party may reasonably request (including with respect to the scope and basis of such request) for the purpose of confirming that the representations and warranties of such party contained herein are true and correct and that the covenants of such party contained herein have been performed in all material respects. Notwithstanding the foregoing, no party shall be obligated to provide the other party access to any information the disclosure of which such party has concluded, in its reasonable judgment, may (i) jeopardize the protection of an attorney-client privilege, attorney work product protection or other legal privilege available to such party or any of its Affiliates relating to such information or (ii) would be in violation of a confidentiality obligation to a third party binding on such party or any of its Subsidiaries.

Section 6.6 Indemnification and Insurance.

(a) From and after the Effective Time, to the fullest extent permitted under applicable Laws, Parent shall cause the Surviving Entity to (i) indemnify and hold harmless each Indemnified Person against any reasonable costs or expenses (including reasonable attorneys' fees and all other reasonable costs, expenses and obligations (including experts' fees, travel expenses, court costs, retainers, transcript fees, duplicating, printing and binding costs, as well as telecommunications, postage and courier charges) paid or incurred in connection with investigating, defending, being a witness in or participating in (including on appeal), or preparing to investigate, defend, be a witness in or participate in, any Proceeding arising out of, relating to or in connection with their status or duties as an Indemnified Person, any act or omission by them in their capacities as such occurring or alleged to have occurred at or prior to the Effective Time or any other matter existing at or prior to the Effective Time relating to or that may involve their status or duties as an Indemnified Person (including this Agreement and the transactions and actions contemplated hereby), including any such Proceeding relating to a claim for indemnification or advancement brought by an Indemnified Person), judgments, fines, losses, claims, damages or liabilities, penalties and amounts paid in settlement (including all interest, assessments and other charges paid or payable in connection with or in respect of any thereof) in

connection with any such actual or threatened Proceeding, and, upon receipt by Surviving Entity of an undertaking by or on behalf of the Indemnified Person to repay such amount if it shall be determined in a final and non-appealable judgment entered by a court of competent jurisdiction that the Indemnified Person is not entitled to be indemnified, provide advancement of expenses with respect to each of the foregoing to, all Indemnified Persons and (ii) honor the provisions regarding elimination of liability of officers and directors, indemnification of officers, directors and employees and advancement of expenses contained in the Organizational Documents of the Partnership and the General Partner immediately prior to the Effective Time, and ensure that the Organizational Documents of the Partnership and the General Partner or any of their respective successors or assigns, if applicable, shall, for a period of six years following the Effective Time, contain provisions no less favorable with respect to indemnification, advancement of expenses and exculpation of present and former directors, officers and employees of the Partnership and the General Partner than are presently set forth in such Organizational Documents. Any right of an Indemnified Person pursuant to this Section 6.6(a) shall not be amended, repealed, terminated or otherwise modified at any time in a manner that would adversely affect the rights of such Indemnified Person as provided herein, and shall be enforceable by such Indemnified Person and their respective heirs and Representatives against Parent, Surviving Entity and the General Partner and their respective successors and assigns.

(b) The Surviving Entity, or Parent on behalf of the Surviving Entity if Parent, in its sole discretion so elects, shall maintain in effect for a period of six years following the Effective Time the Partnership's current directors' and officers' liability insurance policies covering acts or omissions occurring at or prior to the Effective Time with respect to Indemnified Persons (*provided*, that the Surviving Entity, or Parent on behalf of the Surviving Entity if Parent so elects, may substitute therefor policies with reputable carriers of at least the same coverage containing terms and conditions that are no less favorable to the Indemnified Persons); *provided, however*, that in no event shall the Surviving Entity or Parent, as applicable, be required to expend pursuant to this Section 6.6(b) more than an amount per year equal to 300% of current annual premiums paid by the Partnership for such insurance (the "Maximum Amount"). In the event that, but for the proviso to the immediately preceding sentence, the Surviving Entity would be required to expend more than the Maximum Amount, the Surviving Entity, or Parent on behalf of the Surviving Entity if Parent had so elected to provide such insurance, shall obtain the maximum amount of such insurance as is available for the Maximum Amount. In lieu of the obligations of the Surviving Entity and Parent under this Section 6.6(b), the Partnership or Holdings may (but shall be under no obligation to), prior to the Effective Time, purchase a prepaid "tail policy" with respect to acts or omissions occurring or alleged to have occurred prior to the Effective Time that were committed or alleged to have been committed by such Indemnified Persons in their capacity as such; *provided*, that in no event shall the cost of such policy exceed six times the Maximum Amount.

(c) The rights of any Indemnified Person under this Section 6.6 shall be in addition to any other rights such Indemnified Person may have under the Organizational Documents of each of the Partnership, the General Partner, the Surviving Entity or any Subsidiary of Parent or the Partnership, any indemnification agreements, or the DLLCA or the DRULPA. The provisions of this Section 6.6 shall survive the consummation of the transactions contemplated by this Agreement and are expressly intended to benefit each of the Indemnified Persons and their respective heirs and Representatives. If Parent, the Surviving Entity and/or the General Partner, or any of their respective successors or assigns (i) consolidates with or merges into any other Person, or (ii) transfers or conveys all or substantially all of their businesses or assets to any other Person, then, in each such case, to the extent necessary, a proper provision shall be made so that the successors and assigns of Parent, the Surviving Entity and/or the General Partner shall assume the obligations of Parent, the Surviving Entity and the General Partner set forth in this Section 6.6.

Section 6.7 Fees and Expenses. Except as otherwise provided in Section 6.8, Section 8.2 and Section 8.3, all fees and expenses incurred in connection with the transactions contemplated by this Agreement including all legal, accounting, financial advisory, consulting and all other fees and expenses of third parties incurred by a party in connection with the negotiation and effectuation of the terms and conditions of this Agreement and the transactions contemplated by this Agreement, shall be the obligation of the respective party incurring such fees and expenses, except (a) Parent and the Partnership shall each bear and pay one half of the expenses incurred in connection with the filing, printing and mailing of the Registration Statement and the Consent Statement/Prospectus and (b) Parent shall pay all costs and fees of the Exchange Agent and all expenses associated with the exchange process.

Section 6.8 Transfer Taxes. Parent shall pay all transfer, documentary, sales, use, stamp, registration and other similar Taxes payable (including penalties and interest) in connection with the Parent Stock Issuance.

Section 6.9 Section 16 Matters. Prior to the Effective Time, the Partnership shall take all such steps as may be required (to the extent permitted under applicable Laws) to cause any dispositions of Common Units (including derivative securities with respect to Common Units) resulting from the transactions contemplated by this Agreement by each individual who is subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to the Partnership, to be exempt under Rule 16b-3 promulgated under the Exchange Act.

Section 6.10 Stock Exchange Listing, Delisting and Deregistration.

(a) Parent shall use its reasonable best efforts to cause the Parent Ordinary Shares to be issued in connection with the Merger to be admitted to trading on the LSE's main market for listed securities and to listing on the premium listing segment of the FCA's Official List, and to cause the Parent ADSs to be issued in connection with the Merger to be listed on the NYSE (subject to official notice of issuance), in each case prior to the Effective Time. Prior to the Closing, Parent shall submit (a) duly completed applications and/or forms for submission to the LSE and the FCA with respect to such Parent Ordinary Shares in accordance with the requirements of the LSE and the FCA (the "London Applications") and (b) a supplemental listing application with the NYSE with respect to such Parent ADSs in accordance with the requirements of the NYSE (the "NYSE Listing Application" together with the London Applications, the "Listing Applications"). Parent shall use its reasonable best efforts to have the Listing Applications approved (subject, in the case of the NYSE Listing Application, to official notice of issuance) as promptly as practicable after such submission (including by responding to comments of the NYSE, the LSE and/or the FCA). The Partnership shall furnish all information as may be reasonably requested by Parent in connection with any such action and the preparation and submission of the Listing Applications. No submission of, or amendment or supplement to, the Listing Applications will be made by Parent without providing the Partnership with a reasonable opportunity to review and comment thereon. In addition, Parent agrees to provide the Partnership and its legal counsel with copies of any written comments, and shall inform the Partnership of any oral comments, that Parent or its counsel may receive from time to time from the NYSE, the LSE, the FCA or their respective staffs with respect to the Listing Applications promptly after receipt of such comments, and any written or oral responses thereto. The Partnership and its legal counsel shall be given a reasonable opportunity to review any such written responses and Parent shall give due consideration to the additions, deletions or changes suggested thereto by the Partnership and its counsel.

(b) The Partnership will cooperate and use its reasonable best efforts to cause the delisting of Common Units from the NYSE and the deregistration of such securities under the Exchange Act as promptly as practicable following the Closing in compliance with applicable Law.

Section 6.11 Dividends and Distributions. After the date of this Agreement and until the Effective Time, each of the Partnership and Parent shall coordinate with the other regarding the timing of any distributions in respect of Common Units and the record dates and payment dates relating thereto, it being the intention of the parties that holders of Common Units shall not receive, for any quarter, distributions both in respect of Common Units and also dividends in respect of Parent Ordinary Shares represented by the Parent ADSs that they receive in exchange therefor in the Merger, but that they shall receive for any such quarter either: (i) only distributions in respect of Common Units or (ii) only dividends in respect of Parent Ordinary Shares represented by the Parent ADSs that they receive in exchange therefor in the Merger.

Section 6.12 Conflicts Committee. Prior to the earlier of the Effective Time and the termination of this Agreement, Parent shall not and it shall not permit any of its Subsidiaries to, and it shall not and shall not permit any of its Subsidiaries to take any action intended to cause the General Partner (or the sole member of the General Partner) to, without the consent of a majority of the then existing members of the Conflicts Committee, eliminate the Conflicts Committee, revoke or diminish the authority of the Conflicts Committee or remove or cause the removal of any director of the General Partner who is a member of the Conflicts Committee either as a director or as a member of such committee. For the avoidance of doubt, this Section 6.12 shall not apply to the filling, in accordance with the provisions of the General Partner Company Agreement, of any vacancies caused by the resignation, death or incapacity of any such director.

Section 6.13 Performance by the General Partner. Subject to Section 9.3 and Section 9.4, Holdings will cause the General Partner, the Partnership and their respective Subsidiaries to comply with the provisions of this Agreement and the Support Agreement. Notwithstanding the foregoing, it is understood and agreed that actions or inactions by the Partnership and the General Partner and their respective Subsidiaries shall not be deemed to be breaches or violations or failures to perform by Parent of any of the provisions of this Agreement unless such action or inaction was or was not taken, in either case, at the direction of Holdings. In no event shall the General Partner or the Partnership have any liability for, or be deemed to breach, violate or fail to perform any of the provisions of this Agreement by reason of, any action taken or omitted to be taken by the General Partner, the Partnership, any of their respective Subsidiaries or any of their respective Representatives at the direction of Parent or Holdings.

Section 6.14 Tax Matters. For U.S. federal income tax purposes (and for purposes of any applicable state, local or foreign Tax that follows the U.S. federal income tax treatment), the parties agree to treat the Merger as a taxable sale of the Public Common Units to Pipelines, as the tax-regarded owner of Holdings, in exchange for the Merger Consideration. The parties will prepare and file all Tax Returns consistent with the foregoing and will not take any inconsistent position on any Tax Return, or during the course of any Proceeding with respect to Taxes, except as otherwise required by applicable Law following a final determination by a court of competent jurisdiction or other administrative settlement with or final administrative decision by the relevant Governmental Authority.

Section 6.15 Takeover Statutes. Parent shall not, and shall cause its Subsidiaries not to, take any action that would, or would reasonably be expected to, cause any Takeover Law to become applicable to this Agreement, the Merger, the Parent Stock Issuance or the other transactions contemplated hereby or related thereto. If any Takeover Law shall become applicable to this Agreement, the Merger or the other transactions contemplated hereby or related thereto, Parent, the Parent Board, the General Partner, the GP Board and the Conflicts Committee shall use reasonable best efforts to take such actions so that the transactions contemplated hereby, including the Merger and the Parent Stock Issuance, may be consummated as promptly as practicable on the terms contemplated hereby and otherwise use reasonable best

efforts to eliminate or minimize the effects of such statute or regulation on the transactions contemplated hereby, including the Merger and the Parent Stock Issuance.

Section 6.16 Securityholder Litigation. The Partnership and the General Partner shall give Parent prompt notice and the opportunity to participate in the defense or settlement of any securityholder litigation against the Partnership and the General Partner and/or their directors (as applicable) relating to the transactions contemplated by this Agreement and no such settlement shall be agreed to without the prior written consent of Parent, which consent shall not be unreasonably withheld, conditioned or delayed.

ARTICLE VII

CONDITIONS PRECEDENT

Section 7.1 Conditions to Each Party's Obligation to Effect the Merger. The respective obligations of each party hereto to effect the Merger shall be subject to the satisfaction (or waiver, if permissible under applicable Laws) on or prior to the Closing Date of the following conditions:

(a) Written Consent. The Written Consent shall have been obtained in accordance with applicable Law and filed with the minutes of proceedings of the Partnership, and such Written Consent shall have not been amended, modified, withdrawn, terminated or revoked; *provided, however*, that this Section 7.1(a) shall not imply that the Written Consent is permitted by the Partnership Agreement or applicable Law to be amended, modified or revoked following its execution by holders of the Common Units constituting a Unit Majority.

(b) No Injunctions or Restraints. No Law, injunction, judgment or ruling enacted, promulgated, issued, entered, amended or enforced by any Governmental Authority (collectively, "Restraints") shall be in effect enjoining, restraining, preventing or prohibiting consummation of the transactions contemplated by this Agreement or making the consummation of the transactions contemplated by this Agreement illegal.

(c) Registration Statement. The Registration Statement shall have become effective under the Securities Act and no stop order suspending the effectiveness of the Registration Statement shall have been issued and no Proceedings for that purpose shall have been initiated or threatened by the SEC.

(d) Consent Statement/Prospectus. The Consent Statement/Prospectus shall have been mailed to all holders of Common Units following effectiveness of the Registration Statement and at least 20 days prior to the Closing.

(e) Stock Exchange Listing. (i) The Parent ADSs (and the Parent Ordinary Shares represented thereby) deliverable to the Limited Partners as contemplated by this Agreement shall have been approved for listing on the NYSE subject to official notice of issuance, (ii) admission of the Parent Ordinary Shares represented by such Parent ADSs to the premium listing segment of the FCA's Official List shall have become effective, and (iii) admission of such Parent Ordinary Shares referred to in (ii) of this Section 7.1(e) to trading on the LSE's main market for listed securities shall have become effective.

Section 7.2 Conditions to Obligations of Parent, Holdings and Merger Sub to Effect the Merger. The obligations of Parent, Holdings and Merger Sub to effect the Merger are further subject to the satisfaction (or waiver, if permissible under applicable Laws) on or prior to the Closing Date of the following conditions:

(a) Representations and Warranties. (i) The representations and warranties of the Partnership and the General Partner contained in Section 4.1(a), Section 4.2(c), Section 4.3(a), Section 4.3(c) and Section 4.6(a) shall be true and correct in all respects, in each case both when made and at and as of the Closing Date, as if made at and as of such time (except to the extent expressly made as of an earlier date, in which case as of such date); (ii) the representations and warranties of the Partnership and the General Partner contained in Section 4.2(a) shall be true and correct in all respects, other than immaterial misstatements or omissions, both when made and at and as of the Closing Date, as if made at and as of such time (except to the extent expressly made as of an earlier date, in which case as of such date); and (iii) all other representations and warranties of the Partnership and the General Partner set forth herein shall be

true and correct both when made and at and as of the Closing Date, as if made at and as of such time (except to the extent expressly made as of an earlier date, in which case as of such date), except, in the case of this clause (iii), where the failure of such representations and warranties to be so true and correct (except with respect to Section 4.5 and Section 4.10, without giving effect to any limitation as to “materiality” or “Partnership Material Adverse Effect” set forth in any individual representation or warranty) does not have, and would not reasonably be expected to have, individually or in the aggregate, a Partnership Material Adverse Effect. Parent shall have received a certificate signed on behalf of the Partnership and the General Partner by an executive officer of the General Partner to such effect.

(b) Performance of Obligations of the Partnership and the General Partner. Each of the Partnership and the General Partner shall have performed in all material respects all obligations required to be performed by it under this Agreement at or prior to the Closing Date. Parent shall have received a certificate signed on behalf of the Partnership and the General Partner by an executive officer of the General Partner to such effect.

Section 7.3 Conditions to Obligation of the Partnership to Effect the Merger. The obligation of the Partnership to effect the Merger is further subject to the satisfaction (or waiver, if permissible under applicable Laws) on or prior to the Closing Date of the following conditions:

(a) Representations and Warranties. (i) The representations and warranties of Parent, Holdings and Merger Sub contained in Section 5.1(a), Section 5.2(c), Section 5.3(a) and Section 5.6(a) shall be true and correct in all respects, in each case both when made and at and as of the Closing Date, as if made at and as of such time (except to the extent expressly made as of an earlier date, in which case as of such date); (ii) the representations and warranties of Parent, Holdings and Merger Sub contained in Section 5.2(a) shall be true and correct in all respects, other than immaterial misstatements or omissions, both when made and at and as of the Closing Date, as if made at and as of such time (except to the extent expressly made as of an earlier date, in which case as of such date); and (iii) all other representations and warranties of Parent set forth herein shall be true and correct both when made and at and as of the Closing Date, as if made at and as of such time (except to the extent expressly made as of an earlier date, in which case as of such date), except, in the case of this clause (iii), where the failure of such representations and warranties to be so true and correct (except with respect to Section 5.5 and Section 5.8, without giving effect to any limitation as to “materiality” or “Parent Material Adverse Effect” set forth in any individual representation or warranty) does not have, and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect. The Partnership shall have received a certificate signed on behalf of Parent by a duly authorized person of Parent to such effect.

(b) Performance of Obligations of Parent, Holdings and Merger Sub. Each of Parent, Holdings and Merger Sub shall have performed in all material respects all obligations required to be performed by it under this Agreement at or prior to the Closing Date. The Partnership shall have received a certificate signed on behalf of Parent by a duly authorized person of Parent to such effect.

Section 7.4 Frustration of Closing Conditions.

(a) Neither the Partnership nor the General Partner may rely on the failure of any condition set forth in Section 7.1, Section 7.2 or Section 7.3, as the case may be, to be satisfied if such failure was due to the failure of either such party to perform and comply in all material respects with the covenants and agreements in this Agreement to be performed or complied with by it prior to the Closing.

(b) None of Parent, Holdings or Merger Sub may rely on the failure of any condition set forth in Section 7.1, Section 7.2 or Section 7.3, as the case may be, to be satisfied if such failure was due to the failure of any such party to perform and comply in all material respects with the covenants and agreements in this Agreement to be performed or complied with by it prior to the Closing.

ARTICLE VIII

TERMINATION

Section 8.1 Termination. This Agreement may be terminated and the transactions contemplated by this Agreement abandoned at any time prior to the Effective Time:

(a) by the mutual written consent of Parent and the Partnership duly authorized by the Parent Board acting through its authorized delegates and the Conflicts Committee, respectively (whether before or after the Written Consent referred to in Section 7.1(a) shall have been obtained);

(b) by either of the Parent or the Partnership:

(i) if the Closing shall not have been consummated on or before September 19, 2022, whether such date is before or after the Written Consent referred to in Section 7.1(a) shall have been obtained (the “Outside Date”); *provided, however*, that the right to terminate this Agreement under this Section 8.1(b)(i) shall not be available (A) to Parent or the Partnership if the inability to satisfy such condition was due to the failure of, in the case of Parent, Parent, Holdings or Merger Sub, or, in the case of the Partnership, the Partnership or the General Partner, to perform and comply in all material respects with the covenants and agreements to be performed or complied with by it prior to the Closing or (B) to Parent or the Partnership if, in the case of Parent, the Partnership or the General Partner, or, in the case of the Partnership, Parent, Holdings or Merger Sub, has filed (and is then pursuing) an action seeking specific performance as permitted by Section 9.9; or

(ii) if any Restraint having the effect set forth in Section 7.1(b) shall be in effect and shall have become final and nonappealable (whether before or after the Written Consent referred to in Section 7.1(a) shall have been obtained); *provided, however*, that the right to terminate this Agreement under this Section 8.1(b)(ii) shall not be available to Parent or the Partnership if such Restraint was due to the failure of, in the case of Parent, Parent, Holdings or Merger Sub, or, in the case of the Partnership, the Partnership or the General Partner, to perform any of its obligations under this Agreement in any material respect;

(c) by Parent if the Partnership or the General Partner shall have breached or failed to perform any of its representations, warranties, covenants or agreements set forth in this Agreement (or if any of the representations or warranties of the Partnership or the General Partner set forth in this Agreement shall fail to be true), which breach or failure (i) would (if it occurred or was continuing as of the Closing Date) give rise to the failure of a condition set forth in Section 7.2(a)(i) or Section 7.2(b) and (ii) is incapable of being cured, or is not cured, by the Partnership or the General Partner within 30 days following receipt of written notice from Parent of such breach or failure; *provided, however*, that Parent shall not have the right to terminate this Agreement pursuant to this Section 8.1(c) if Parent, Holdings or Merger Sub is then in material breach of any of its representations, warranties, covenants or agreements contained in this Agreement; or

(d) by the Partnership (which termination may be effected for the Partnership by the Conflicts Committee without the consent, authorization or approval of the GP Board) if Parent shall have breached or failed to perform any of its representations, warranties, covenants or agreements set forth in this Agreement (or if any of the representations or warranties of Parent set forth in this Agreement shall fail to be true), which breach or failure (i) would (if it occurred or was continuing as of the Closing Date) give rise to the failure of a condition set forth in Section 7.3(a)(i) or Section 7.3(b) and (ii) is incapable of being cured, or is not cured, by Parent within 30 days following receipt of written notice from the Partnership of such breach or failure;

provided, that the Partnership shall not have the right to terminate this Agreement pursuant to this Section 8.1(d) if the Partnership or the General Partner is then in material breach of any of its representations, warranties, covenants or agreements contained in this Agreement.

Section 8.2 Effect of Termination. In the event of the termination of this Agreement as provided in Section 8.1, written notice thereof shall be given to the other party or parties, specifying the provision of this Agreement pursuant to which such termination is made, and this Agreement shall forthwith become null and void (other than the provisions in the last sentence of Section 6.5, the provisions in Section 6.7, this Section 8.2, Section 8.3 and Article IX, all of which shall survive termination of this Agreement), and, except as otherwise provided in this Section 8.2, there shall be no liability on the part of any of Parent, Holdings, Merger Sub, the Partnership and the General Partner or their respective Representatives, directors, officers and Affiliates; *provided, however*, that no such termination shall relieve any party hereto from: (a) its obligation to pay the Parent Expense Reimbursement or the Partnership Expense Reimbursement, as applicable, if, as and when required pursuant to Section 8.3, or (b) any liability for intentional fraud or a Willful Breach of any covenant or other agreement contained in this Agreement. Notwithstanding the foregoing, in no event shall the General Partner or the Partnership have any liability for any matter set forth in the proviso of the preceding sentence for any action taken or omitted to be taken by the General Partner, the Partnership, any of their respective Subsidiaries or any of their respective Representatives at the direction of Parent or Holdings. For purposes of this Agreement, “Willful Breach” shall mean a material breach of this Agreement that is a consequence of a deliberate act or a deliberate failure to act by the breaching party with the knowledge that the taking of such act (or the failure to take such act) would (i) cause a material breach of this Agreement and (ii) prevent or materially delay the Closing.

Section 8.3 Expenses.

(a) In the event of termination of this Agreement by Parent pursuant to Section 8.1(c) (*Partnership or General Partner Uncured Breach*), then the Partnership shall promptly, but in no event later than five Business Days after receipt of an invoice (with supporting documentation) therefor from Parent, pay Parent’s designee all of the reasonably documented out-of-pocket expenses (including all fees and expenses of counsel, accountants, investment bankers, financing sources, hedging counterparties, experts and consultants) incurred by Parent and its Affiliates in connection with this Agreement and the transactions contemplated hereby up to a maximum amount of \$5,000,000 (the “Parent Expense Reimbursement”).

(b) In the event of termination of this Agreement by the Partnership pursuant to Section 8.1(d) (*Parent Uncured Breach*), then Parent shall promptly, but in no event later than five Business Days after receipt of an invoice (with supporting documentation) therefor from the Partnership, pay the Partnership’s designee all of the reasonably documented out-of-pocket expenses (including all fees and expenses of counsel, accountants, investment bankers, financing sources, hedging counterparties, experts and consultants) incurred by the Partnership and its Affiliates in connection with this Agreement and the transactions contemplated hereby up to a maximum amount of \$5,000,000 (the “Partnership Expense Reimbursement”); provided, that the Partnership Expense Reimbursement shall not exceed the maximum amount, if any, that the Partnership reasonably determines can be paid to the Partnership without causing the Partnership to fail the gross income requirement in Section 7704(c)(2) of the Code, treating the Partnership Expense Reimbursement as non-qualifying income and after taking into consideration all other sources of non-qualifying income of the Partnership, unless the Partnership receives an opinion of counsel or a ruling from the Internal Revenue Service to the effect that the Partnership’s receipt of the Partnership Expense Reimbursement will either constitute qualifying income (as defined in Section 7704(d) of the Code) or be excluded from gross income for purposes of Section 7704 of the Code.

(c) Each of the parties hereto acknowledges that the Parent Expense Reimbursement and Partnership Expense Reimbursement are not intended to be a penalty, but rather are liquidated damages in a reasonable amount that will compensate the other party, as applicable, in the circumstances in which such amounts are due and payable and which do not involve intentional fraud or Willful Breach, for the efforts and resources expended and opportunities forgone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the transactions contemplated hereby, which amount would otherwise be impossible to calculate with precision. In no event shall a party be entitled to more than one payment of the Parent Expense Reimbursement and Partnership Expense Reimbursement, as applicable, in connection with a termination of this Agreement pursuant to which such amounts are payable.

ARTICLE IX

MISCELLANEOUS

Section 9.1 No Survival, Etc. The representations, warranties and agreements in this Agreement (including, for the avoidance of doubt, any schedule, instrument or other document delivered pursuant to this Agreement) shall terminate at the Effective Time or, except as otherwise provided in Section 8.2 or Section 8.3, upon the termination of this Agreement pursuant to Section 8.1, as the case may be, except that the agreements set forth in Article I, Article II, Article III, Section 6.6, Section 6.7 and Article IX and any other agreement in this Agreement that contemplates performance after the Effective Time shall survive the Effective Time.

Section 9.2 Amendment or Supplement. At any time prior to the Effective Time, this Agreement may be amended or supplemented in any and all respects by written agreement of the parties, by action taken or authorized by the Parent Board acting through its authorized delegates and the Conflicts Committee; *provided*, that there shall be no amendment or change to the provisions of this Agreement that by applicable Laws, the Partnership Agreement or stock exchange rule would require further approval by Limited Partners without obtaining the requisite approval of the Limited Partners.

Section 9.3 GP Board Consent. Unless otherwise expressly set forth in this Agreement, whenever a determination, decision, approval, consent, waiver or agreement of the Partnership or the General Partner is required pursuant to this Agreement (including any determination to exercise or refrain from exercising any rights under Article VIII or to enforce the terms of this Agreement (including Section 9.9)), such determination, decision, approval, consent, waiver or agreement must be authorized in writing by the Conflicts Committee on behalf of the General Partner.

Section 9.4 Extension of Time, Waiver, Etc. At any time prior to the Effective Time, any party may, subject to applicable Law, (a) waive any inaccuracies in the representations and warranties of any other party hereto, (b) extend the time for the performance of any of the obligations or acts of any other party hereto, (c) waive compliance by the other party with any of the agreements contained herein or, except as otherwise provided herein, waive any of such party's conditions or (d) make or grant any consent under this Agreement; *provided, however*, that the General Partner may not take or authorize any such action unless it has been approved in writing by the Conflicts Committee. Notwithstanding the foregoing, no failure or delay by the Partnership, Holdings, the General Partner, Parent or Merger Sub in exercising any right hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right hereunder. Any agreement on the part of a party hereto to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such party.

Section 9.5 Assignment. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned, in whole or in part, by operation of Law or otherwise, by any of the parties without the prior written consent of the other parties. Subject to the preceding sentence, this Agreement shall be binding upon, inure to the benefit of, and be enforceable by, the parties hereto and their respective successors and permitted assigns. Any purported assignment not permitted under this Section 9.5 shall be null, void and ineffective.

Section 9.6 Counterparts. This Agreement may be executed in counterparts (each of which shall be deemed to be an original but all of which taken together shall constitute one and the same agreement) and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties. Signatures to this Agreement transmitted by facsimile transmission, by electronic mail in "portable document format" form, or

by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, will have the same effect as physical delivery of the paper document bearing the original signature. For the avoidance of doubt a party's execution and delivery of this Agreement by electronic signature and electronic transmission, including via DocuSign or other similar method, shall constitute the execution and delivery of a counterpart of this Agreement by or on behalf of such party and shall bind such party to the terms of this Agreement.

Section 9.7 Entire Understanding; No Third-Party Beneficiaries. This Agreement, the Partnership Disclosure Schedule, the Parent Disclosure Schedule, the Support Agreement and any certificates delivered by any party pursuant to this agreement (a) constitute the entire agreement and understanding, and supersede all other prior agreements and understandings, both written and oral, among the parties with respect to the subject matter of this Agreement and thereof and (b) shall not confer upon any Person other than the parties hereto any rights (including third-party beneficiary rights or otherwise) or remedies hereunder, except for, in the case of clause (b) of this sentence, (i) the right of a holder of Public Common Units to receive the Merger Consideration (a claim by any holder of Public Common Units with respect to which may not be made unless and until the Closing shall have occurred), (ii) the right of a holder of a Partnership LTIP Award to receive the Merger Consideration (a claim by any holder of Partnership LTIP Award with respect to which may not be made unless and until the Closing shall have occurred) and (iii) the provisions of Section 6.6 and Section 9.12.

Section 9.8 Governing Law; Jurisdiction; Waiver of Jury Trial.

(a) This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, applicable to contracts executed in and to be performed entirely within that State.

(b) Each of the parties hereto irrevocably agrees that any legal action or Proceeding with respect to this Agreement and the rights and obligations arising hereunder, shall be brought and determined exclusively in the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or, if the Delaware Court of Chancery declines to accept jurisdiction over a particular matter, any state or federal court within the State of Delaware). Each of the parties hereto consents to service being made through the notice procedures set forth in Section 9.10, irrevocably submits with regard to any such action or Proceeding for itself and in respect of its property, generally and unconditionally, to the personal jurisdiction of the aforesaid courts and agrees that it will not bring any action relating to this Agreement or any of the transactions contemplated by this Agreement in any court other than the aforesaid courts. Each of the parties hereto irrevocably waives, and agrees not to assert as a defense, counterclaim or otherwise, in any action or Proceeding with respect to this Agreement, (i) any claim that it is not personally subject to the jurisdiction of the above named courts for any reason other than the failure to serve in accordance with this Section 9.8, (ii) any claim that it or its property is exempt or immune from the jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (iii) to the fullest extent permitted by the applicable Laws, any claim that (A) the suit, action or Proceeding in such court is brought in an inconvenient forum, (B) the venue of such suit, action or Proceeding is improper or (C) this Agreement, or the subject matter hereof, may not be enforced in or by such courts. Each party hereto expressly acknowledges that the foregoing waiver is intended to be irrevocable under the Law of the State of Delaware and of the United States of America; *provided, however*, that each such party's consent to jurisdiction and service contained in this Section 9.8(b) is solely for the purpose referred to in this Section 9.8(b) and shall not be deemed to be a general submission to such courts or in the State of Delaware other than for such purpose.

(c) EACH PARTY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT OR THE ACTIONS OF ANY PARTY IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE AND ENFORCEMENT OF THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT.

Section 9.9 Specific Performance. The parties agree that irreparable damage would occur and that the parties would not have any adequate remedy at law in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached and it is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, in each case, in accordance with this Section 9.9 in the Delaware Court of Chancery or any other state or federal court sitting in the State of Delaware, this being in addition to any other remedy to which they are entitled at law or in equity. Each of the parties agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief as provided herein on the basis that (a) either party has an adequate remedy at law or (b) an award of specific performance is not an appropriate remedy for any reason at law or equity (it being understood that nothing in this sentence shall prohibit the parties hereto from raising other defenses to a claim for specific performance or other equitable relief under this Agreement). Each party further agrees that no party shall be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this Section 9.9, and each party irrevocably waives any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

Section 9.10 Notices. All notices and other communications hereunder must be in writing and will be deemed duly given if delivered personally or by email transmission, or mailed through a nationally recognized overnight courier, postage prepaid, to the parties at the following addresses (or at such other address for a party as specified by like notice, *provided, however*, that notices of a change of address will be effective only upon receipt thereof):

Section 9.11 Severability. If any term or other provision of this Agreement is determined by a court of competent jurisdiction to be invalid, illegal or incapable of being enforced by any rule of law or public policy, all other terms, provisions and conditions of this Agreement shall nevertheless remain in full force and effect. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted by applicable Laws in an acceptable manner to the end that the transactions contemplated by this Agreement are fulfilled to the extent possible.

Section 9.12 Non-Recourse. No past, present or future director, officer, employee, incorporator, member, partner, equityholder, agent, attorney, financing source, Representative or Affiliate of any party hereto or of any of their respective Affiliates (unless such Affiliate is expressly a party to this Agreement) shall have any liability (whether in contract or in tort or otherwise) for any obligations or liabilities arising under, in connection with or related to this Agreement or for any claim based on, in respect of, or by reason of, the transactions contemplated by this Agreement; *provided, however*, that nothing in this Section 9.12 shall limit any liability of the parties to this Agreement for breaches of the terms and conditions of this Agreement.

For the avoidance of doubt, no Covered Unitholder (in its capacity as a unitholder) shall be under any obligation whatsoever to require or request that the limited partners of the Partnership vote on, consent to or otherwise approve or reject any matter or issues; notwithstanding the foregoing, if any Covered Unitholder is the beneficial owner, but not the Record Holder, of any Covered Units, such beneficial owner agrees to take all actions necessary to cause the Record Holder and any nominees to vote (or execute a consent with respect to) all of such Covered Units in accordance with this Section 2.

EACH COVERED UNITHOLDER HEREBY AFFIRMS THAT THE IRREVOCABLE PROXY SET FORTH IN THIS SECTION IS GIVEN IN CONNECTION WITH THE MERGER AGREEMENT, AND THAT SUCH IRREVOCABLE PROXY IS GIVEN TO SECURE THE PERFORMANCE OF THE DUTIES OF SUCH COVERED UNITHOLDER UNDER THIS AGREEMENT.

(b) The proxy granted in this Section 3 shall automatically expire upon the termination of this Agreement.

4. No Inconsistent Agreements. The Unitholder hereby represents, covenants and agrees that, except as contemplated by this Agreement, it (a) has not entered into, and shall not enter into at any time prior to the Termination Date, any voting agreement or voting trust with respect to any Covered Units and (b) has not granted, and shall not grant at any time prior to the Termination Date, a proxy or power of attorney with respect to any Covered Units, in either case, which is inconsistent with the Unitholder's obligations pursuant to this Agreement.

5. Termination. This Agreement shall terminate upon the earliest of (a) the Effective Time, (b) the termination of the Merger Agreement in accordance with its terms and (c) the mutual written agreement of the parties hereto to terminate this Agreement (such earliest date being referred to herein as the "Termination Date"); *provided* that the provisions set forth in Sections 13 to 19 shall survive the termination of this Agreement; *provided further* that any liability incurred by any party hereto as a result of a breach of a term or condition of this Agreement prior to such termination shall survive the termination of this Agreement. Upon termination of this Agreement, none of the Covered Unitholders shall have any further obligations or liabilities hereunder except as provided in the immediately preceding sentence.

6. Representations and Warranties of each Covered Unitholder. Each Covered Unitholder, severally (but not jointly) and making representations only as to itself, hereby represents and warrants to the Partnership as follows:

(a) Such party is the Record Holder and beneficial owner of, and has good and valid title to, its respective Covered Units, free and clear of Liens other than as created by this Agreement, the Merger Agreement or arising under generally applicable securities Laws. Such party has voting power, power of disposition, and power to agree to all of the matters set forth in this Agreement, in each case with respect to all of such Covered Units. As of the date hereof, other than the Covered Units, such party is not the Record Holder and does not own beneficially any (i) units or voting securities of the Partnership, (ii) securities of the Partnership convertible into or exchangeable for units or voting securities of the Partnership or (iii) options or other rights to acquire from the Partnership any units, voting securities or securities convertible into or exchangeable for units or voting securities of the Partnership. The Covered Units are not subject to any voting trust agreement or other contract to which such party is a

party restricting or otherwise relating to the voting or Transfer of the Covered Units. Such party has not appointed or granted any proxy or power of attorney that is still in effect with respect to any Covered Units, except as contemplated by this Agreement.

(b) Such party is duly organized, validly existing and in good standing under the Laws of Delaware, or such other Laws of its jurisdiction, and has all requisite power and authority to execute and deliver this Agreement and to perform its obligations hereunder. The execution and delivery of this Agreement by such party, the performance by such party of its obligations hereunder and the consummation by such party of the transactions contemplated hereby have been duly and validly authorized by such party and no other actions or proceedings on the part of such party are necessary to authorize the execution and delivery by such party of this Agreement, the performance by such party of its obligations hereunder or the consummation by such party of the transactions contemplated hereby. This Agreement has been duly and validly executed and delivered by such party and, assuming due authorization, execution and delivery by the Partnership, constitutes a legal, valid and binding obligation of such party, enforceable against such party in accordance with its terms, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar Laws affecting creditors' rights generally and by general principles of equity (regardless of whether considered in a proceeding in equity or at law).

(c) Except for the applicable requirements of the Exchange Act, (i) no filing with, and no permit, authorization, consent or approval of, any Governmental Authority is necessary on the part of such party for the execution, delivery and performance of this Agreement by such party or the consummation by such party of the transactions contemplated hereby and (ii) neither the execution, delivery or performance of this Agreement by such party nor the consummation by such party of the transactions contemplated hereby nor compliance by such party with any of the provisions hereof shall (A) conflict with or violate, any provision of the Organizational Documents of such party, (B) result in any breach or violation of, or constitute a default (or an event which, with notice or lapse of time or both, would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, or result in the creation of a Lien on such property or asset of such party pursuant to, any contract to which such party is a party or by which such party or any property or asset of such party is bound or affected or (C) violate any order, writ, injunction, decree, statute, rule or regulation applicable to such party or any of such party's properties or assets except, in the case of clause (B) or (C), for breaches, violations or defaults that would not, individually or in the aggregate, materially impair the ability of such party to perform its obligations hereunder.

(d) As of the date of this Agreement, there is no action, suit, investigation, complaint or other proceeding pending against such party or, to the knowledge of such party, any other Person or, to the knowledge of such party, threatened against such party or any other Person that restricts or prohibits (or, if successful, would restrict or prohibit) the Partnership from exercising its rights under this Agreement or the performance by any party of its obligations under this Agreement.

(e) Such party understands and acknowledges that the Partnership is entering into the Merger Agreement in reliance upon such party's execution and delivery of this Agreement and the representations and warranties of such party contained herein.

(f) The Unitholder is an Affiliate (as defined in the Partnership Agreement) of the General Partner.

7. Certain Covenants of each Covered Unitholder. Each Covered Unitholder, severally (but not jointly) hereby covenants and agrees, in each case, only on its own behalf as follows, in each case except as otherwise approved in writing by Conflicts Committee:

(a) Prior to the Termination Date, and except as contemplated hereby, such party shall not (i) Transfer, or enter into any contract, option, agreement or other arrangement or understanding with respect to the Transfer of, any of the Covered Units or beneficial ownership or voting power thereof or therein (including by operation of law), (ii) grant any proxies or powers of attorney, deposit any Covered Units into a voting trust or enter into a voting agreement with respect to any Covered Units or (iii) knowingly take any action that would make any representation or warranty of such party contained herein untrue or incorrect or have the effect of preventing or disabling such party from performing its obligations under this Agreement. Notwithstanding anything to the contrary in this Agreement, such party may Transfer any or all of the Covered Units, in accordance with applicable Law, to each other or any Affiliate of the General Partner; *provided* that prior to and as a condition to the effectiveness of such Transfer, each Person to whom any of such Covered Units or any interest in any of such Covered Units is or may be Transferred shall have executed and delivered to the Partnership a counterpart of this Agreement pursuant to which such Person shall be bound by all of the terms and provisions of this Agreement as if such Person were a party hereto with respect to the obligations of a Covered Unitholder; *provided, however,* notwithstanding the foregoing, it is expressly contemplated that immediately prior to Closing, Holdings will Transfer to BP Pipelines (North America) Inc., and BP Pipelines (North America) Inc. will Transfer to Amoco Pipeline Holding Company, a Delaware corporation and indirect, wholly owned Subsidiary of Parent (“Amoco”), 1,050,000 Common Units representing approximately 1.0% of the issued and outstanding Common Units and such Transfer shall not be subject to the requirements of this Section 7(a). Any Transfer in violation of this provision shall be void.

(b) Prior to the Termination Date, in the event that such party becomes the Record Holder or acquires beneficial ownership of, or the power to vote or direct the voting of, any additional Common Units or other voting interests with respect to the Partnership, such Covered Unitholder shall promptly notify the Partnership of such Common Units or voting interests, such Common Units or voting interests shall, without further action of the parties, be deemed Covered Units and subject to the provisions of this Agreement, and the number of Common Units held by such party set forth on Schedule A hereto shall be deemed amended accordingly and such Common Units or voting interests shall automatically become subject to the terms of this Agreement.

8. Transfer Agent. Each Covered Unitholder hereby authorizes the Partnership or its counsel to notify the Partnership’s transfer agent that there is a stop transfer order with respect to all Covered Units (and that this Agreement places limits on the voting and Transfer of such Covered Units); *provided, however,* the Partnership or its counsel shall further notify the Partnership’s transfer agent to lift and vacate the stop transfer order with respect to the Covered Units on the Termination Date or in connection with a transfer permitted under Section 7(a).

9. Unitholder Capacity. This Agreement is being entered into by each Covered Unitholder solely in its capacity as a holder of Common Units, and nothing in this Agreement shall restrict or limit the ability of such Covered Unitholder or any of its respective Affiliates or any employee thereof who is a director or officer of the Partnership to take any action in his or her capacity as a director or officer of the Partnership to the extent specifically permitted by the Merger Agreement.

10. Disclosure. Each Covered Unitholder hereby authorizes the Partnership to publish and disclose in any announcement or disclosure required by the SEC and in the Consent

Statement/Prospectus such party's identity and ownership of the Covered Units and the nature of such party's obligations under this Agreement.

11. Non-Survival of Representations and Warranties. The representations and warranties of each Covered Unitholder contained herein shall not survive the Termination Date or the closing of the transactions contemplated hereby and by the Merger Agreement.

12. Amendment and Modification. This Agreement may not be amended, modified or supplemented in any manner, whether by course of conduct or otherwise, except by an instrument in writing specifically designated as an amendment hereto, signed on behalf of each party hereto and otherwise as expressly set forth herein.

13. Waiver. No failure or delay of any party in exercising any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such right or power, or any course of conduct, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereunder are cumulative and are not exclusive of any rights or remedies which they would otherwise have hereunder. Any agreement on the part of a party to any such waiver shall be valid only if set forth in a written instrument executed and delivered by such party.

14. Notices. All notices and other communications hereunder shall be in writing and shall be deemed duly given if delivered personally or by email transmission, or mailed through a nationally recognized overnight courier, postage prepaid, to the parties at the following addresses (or at such other address for a party as specified by like notice, *provided, however*, that notices of a change of address shall be effective only upon receipt thereof):

press release

20 December 2021

bp announces agreement to acquire bp midstream partners

bp p.l.c. and its affiliates (“bp”) and BP Midstream Partners LP (“BPMP”) today announced that they have entered into a definitive agreement for a bp U.S. affiliate to acquire all outstanding common units of BPMP not already owned directly or indirectly by bp (the “Public Common Units”), representing 47,837,828 common units, in an all-stock transaction whereby each unitholder of the Public Common Units would receive 0.575 of an American Depositary Share of bp in exchange for each Public Common Unit owned. The agreement follows the offer made by bp in August 2021 to acquire the publicly traded units of BPMP.

In line with bp’s strategy introduced last year of becoming an integrated energy company, this transaction will deepen bp’s interests in, and simplifies the ownership and governance structure of, midstream assets that support integration and optimisation of its fuels value chain in the US. This transaction provides the opportunity for BPMP unitholders to participate in this strategy.

The Board of Directors of BP Midstream Partners GP LLC - the general partner of BPMP - (the “BPMP Board”) delegated to a conflicts committee of the BPMP Board, consisting solely of independent directors, the authority to review, evaluate, negotiate and approve the transaction on behalf of BPMP and the public unitholders. The conflicts committee of the BPMP Board, after evaluating the transaction in consultation with its independent legal and financial advisors, unanimously approved the transaction.

The transaction is expected to close in the first quarter of 2022, subject to customary approvals. A subsidiary of bp, as the holder of a majority of the outstanding common units, has committed to vote its units to approve the transaction.
